- All lots weighed Tuesday 14th September. All Sale Lots are Yearlings Between 14 Months and 12 Months of Age.
- All bulls have been semen tested and were above industry standards for semen motility on their day of testing.
- All heifers have been examined by a Veterinarian for reproductive soundness. All are Unjoined.
- All Black Simmental & SimAngus lots are Homozygous Polled. The Traditional Simmentals lots that are Homozygous Polled have been noted in the Supplementary Tables. Please refer to the sale catalogue for the polled status of the remaining lots.
- Free Delivery for purchase of three lots or more, does not include semen lots i.e. purchase of live animals only.
